

California Police Chiefs Association

Exhibitor Details - 2024 Technology Summit

Event	CPCA 2024 Technology Summit
Summit Date and Time	Thursday, March 21 st , 2024 8:30am – 4pm
Venue and Location	Sonoma State University Student Center 3rd Floor – Ballroom A 1801 E. Cotati Ave. Rohnert Park, CA 94928
Set up/ Strike	Set Up – Thursday, March 21 st -7:00 -8:30am Strike - After last presentation concludes around 3:30pm
What CPCA Staff Members will be on site?	Heather Palka, Partner and Vendor Manager – 805.451.5067 Olivia Sandoz, Education & Brand Specialist – 760.419.4558 Brittany MacKenzie, Director of Education – 415.246.7948
When can I expect exhibitor networking time?	The day includes networking with attendees during registration/check in, morning break, lunch, and afternoon break. See attached agenda below.
Where is my table located?	All exhibitor tabletop displays will be situated in the main conference room, bordering the attendees along the walls of the ballroom. Exhibitor tabletop assignments are currently being arranged, considering electrical requirements and ongoing registrations. Your table will be assigned and clearly identified upon your arrival.
What is provided at my table and is there anything you suggest we bring?	The footprint of your space is approximately 8’ wide x 6’ deep and includes one 6’ table, 2 chairs, electricity and basic WIFI service. There will be space behind the table to stand a small pop-up banner if you choose to bring one. Please note, table linens will not be provided for this event. Please make necessary arrangements to provide a table cover if desired. Additionally, while electricity will be available at each exhibitor table, we advise bringing a small extension cable or power strip to accommodate your electrical needs.
How do I register for an exhibitor badge?	To be sure exhibitor badges are made in time for your arrival, please be sure to send the Name, Title, Cell Phone Number and Email of each representative attending the Summit via email to Heather Palka at hpalka@californiapolicechiefs.org by THURSDAY 03/14/2024 . All exhibitor representatives must obtain and display an exhibitor badge at all times during the Summit.
How many badges are included with my table and can I add more?	Two (2) exhibitor badges are included with each exhibitor tabletop display purchased. You have the option to add up to two (2) additional exhibitor badges at the cost of \$500 each. However, please note that space behind the exhibitor tables is limited, as we can only accommodate 2 chairs behind each table. Additional attending representatives will likely need to occupy seats at the attendee tables during the summit. Please notify Heather Palka if you wish to include additional representatives, and we will send an invoice accordingly.
How do I bring in my display materials?	Hand carry-in is the sole method for bringing in your display items and materials. This venue does not accept packages shipped to the site. Please plan on limiting items to self-transport and carry-in only.
Is AV equipment allowed?	Any AV equipment needs will be the responsibility of the exhibiting company to bring from outside the facility. The Summit does not provide AV rentals. Please ensure any/all AV equipment fits on top of your designated tabletop display. If you have a more elaborate display, and require a different arrangement, please contact Heather Palka to see if accommodations can be made.

<p>Are meals included?</p>	<p>The Summit will offer Morning Coffee as well as a hosted lunch. Please provide any dietary restrictions to Heather Palka at hpalka@californiapolicechiefs.org by 03/14/2024.</p>

<p>Exhibitor Disclaimer</p>	<p>The California Police Chiefs Association (CPCA) wants to make it clear that as an exhibitor, you may encounter various products or services used or endorsed during presenter presentations over the course of the event. Although we typically advise presenters to avoid mentioning specific products or services, please be mindful that there is a chance that if mentioned, the company could offer similar products/services as yours. CPCA is not responsible for, and cannot control, the selection or endorsement of any brands or companies during these presentations. The opinions and content expressed by presenters are their own and may not reflect the views or opinions of CPCA.</p>																
<p>Parking Details IMPORTANT!</p>	<p>You will need to purchase a daily parking pass for the Technology Summit on March 21st, 2024. Self-serve kiosks are available for your convenience to purchase a day pass, as indicated on the attached parking map, using a credit or debit card. It is recommended to purchase and print your parking pass in advance. Please use this link to buy and print passes ahead of time. We suggest the \$8 parking pass, granting access to Lot D (Reserved Parking), the closest parking lot to the Student Center. This pass also permits entry to all other parking lots listed on the attached Parking Map in case reserved parking is full. CA Exempt license plates do not need to pay for parking.</p>
